Attorneys of the Lookout Mountain Judicial Circuit

Re: Board of Governors

Dear Ladies and Gentlemen of the Lookout Mountain Judicial Circuit:

I have decided to not seek reelection to the post on the Board of Governors. I am now on the Investigatory Panel for the State Bar which holds almost monthly meetings that take up a good deal of time. I would just as soon see someone else be on the Board of Governors who could spend more time in that endeavor.

About twenty years ago, I was standing in the Clerk's Office at the Catoosa County Courthouse and was approached by Chris Townley and the late, great Roland Enloe. They walked over to me and said "we think that you should run for the seat on the Board of Governors." I distinctly remember looking over my shoulder to see who they were talking to.

I would first like to thank Chris Townley for thinking of me so long ago. I would also like to express that I very much wish that Roland Enloe was still here in order to thank him. He had more fun practicing law than any attorney that I have ever known.

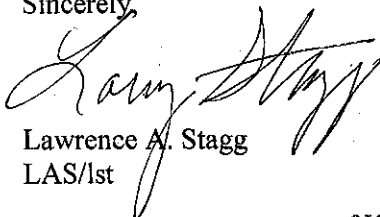

Prior to them approaching me, I would never have thought to do such a thing because my wife and I are both home-bodies. I have very much appreciated the opportunity to serve you on the Board of Governors. It has allowed me and my family to visit a number of locations that we otherwise would never have sought out. I have also learned a great deal and certainly now know the protocol of how a meeting is conducted.

I have never voted for a dues increase (other than the purchase of the Bar Center which I recognized as a wise investment). I have always tried to vote for only the rules that make sense for the attorney that had to WORK every day.

I have been honored to serve you on the Board of Governors for these past twenty years. I do now, and I have always felt that the legal work being exhibited in the Lookout Mountain Judicial Circuit exceeds every other circuit I have visited.

For those who may wish to seek my post, please feel free to contact Amanda Draper with the Georgia Bar for a nomination petition. Her email is [amandad@gabar.org](mailto:amandad@gabar.org).

Sincerely,

Lawrence A. Stagg
