Children of Divorce Course

The CHILDREN OF DIVORCE® Education Program is approved by Superior courts that have court mandated education requirements for divorcing parents. The CHILDREN OF DIVORCE® Education Program increases parents' awareness of their children's reactions to divorce, and provides guidelines for a positive parenting plan to reduce the impact of divorce on the family.

The Children of Divorce Seminar is a court ordered educational program for parties involved in divorce, separate maintenance, paternity, change of custody, visitation, legitimization, and other domestic relations matters involving children. The four-hour educational seminar was designed by licensed counselors and therapists. The seminar is offered by All Counties DUI + Ankle Monitoring & Services - Children of Divorce, Inc.
