

The 5th annual Legal Food Frenzy will take place from April 18-29, 2016. We are excited to announce that 225 firms and organizations have already registered to compete. It's not too late to join them in the fight against hunger: Learn more and sign up at galegalfoodfrenzy.org or contact Georgia Legal Food Frenzy City Representative Sutton Connelly at the law firm of Cook and Connelly.

Furthermore, there will be a formal photo done of all the participants in front of the Chattooga County Courthouse before Circuit on Monday April 14, 2016. Photo should be done between 8:30 and 8:45am.

I would love for this program to pick up steam in Walker, Dade and Catoosa counties so if you know of anyone with questions, tell them to call me.

Cordially,
Sutton
